

# VOTE OF THANKS

I deem it a great honour and privilege to proposed the vote of thanks on this memorable occasion.

Let me first of all start by giving glory to the Most High God for making today's celebration a resounding success.

I thank all the invitees present for accepting our invitation and for being here.

This is the day the the Lord has made, let us rejoice and be glad in it. Psalm 118:24

Motherhood is one of life's highest calling and a challenging one too. I am sure that every mother can attest to that, so I will, on behalf of my sisters and brother give God the praise for His wonderful blessings in our mom's life. He has been gracious in allowing her to maintain good health, independence and a sound mind, especially to deal with me who was a Chat-a-box . We pray for His continued outpouring of good health and long life according to His will.

Mum, you are a special gift to all us from God and we dearly love you, despite your miserableness.

A special thank you to our family members who directly or indirectly helped to make this celebration successful. This day would have absolutely been incomplete without you all. A very special thank you to Mourice-Anne who put together the programme and slide show and MC it. I know you had help, so now the onus is on you to thank your crew.

Thank you all for making our mother's 80th birthday celebration wonderful and happy. I appreciate you all being here. We are so honoured and we hope to see you back soon to celebrate another by God's will.

May God bless you all with health and happiness.  
Cheers to a woman full of grace, love and lots of compassion. That's my mom.

God bless you all.
